Quarry Public Participation Process
Goals

1. To develop ideas for rehabilitating the abandoned quarry in Binyamina

2. To connect the community to the place and its heritage

Preserve nature, there should be an observation point; we should be able to bike ride. There should be a bridge suspended from both sides of the quarry, there should be a museum that tells the history of the quarry, rappelling, a fish pool without fishing and the gazelles should be returned to nature. In our plan, the paths are shaped like deer and the museum is at the head...

The park will serve the community for purposes of enjoyment, interest, and inspiration, while raising awareness regarding the relationship between man and the environment, heritage, and future.

The site will serve as a link between values related to nature, landscape, and heritage in the surrounding area, incorporate community activity and offer a meeting place to a variety of people and cultures.
Planning Workshop
On Wednesday 2/10/13, Ramat Hanadiv hosted a Planning Workshop to develop the central concept for the rehabilitation of the Binyamina Quarry. This concept was...
