2:00pm - Registration
2:30pm - Roundtable Discussion
4:00pm - Tours of Novus Global Headquarters
5:30pm - Cocktails and Hors d'oeuvres

Novus International, Inc., Missouri Research Park and SWT Design are pleased to join with Missouri Botanical Garden's Earthways Center and Shaw Nature Reserve to host this Shaw Salon Series at the Global Headquarters of Novus. The Novus campus was designed with a focus on developing more sustainable and cost-effective landscapes for the business community. Topics to be discussed include: Attaining SITES Certification; Developing a Checklist for Sustainable Landscaping in Missouri Research Park and Beyond; and How Greener Landscape Solutions can Save Time and Money.

MISSOURI BOTANICAL GARDEN

NOVUS
