

Use the blank label boxes below to create a label for your recycling, landfill waste, and composting!

When you are finished place these labels on bins in your school, classroom, or home to remind people to reduce, reuse, and recycle!

Landfill Waste

Blank dashed box for Landfill Waste label.

Recycling

Blank dashed box for Recycling label.

Developed by staff at the EarthWays Center of the Missouri Botanical Garden with funding from the St. Louis-Jefferson Solid Waste Management District and the Missouri Department of Natural Resources.
