## Working Together Toward Zero Waste!

The Garden strives to divert over 90%  
of Market waste from the landfill.

- Vendors use Certified Compostable  
ware for serving food and sampling.
- Collected food and serving waste  
is composted into nutrient-rich soil  
amendments at a local facility.
- Beverage cans, bottles, cups, and all  
cardboard are recycled.
- Recyclables are sent on to be  
processed into new products.
- Volunteer Zero Waste Ambassadors  
educate visitors at the waste stations.
- Facility support staff helps sort waste  
correctly to keep the Market clean.

Thanks to our vendors, volunteers,  
and visitors for keeping this huge  
event’s footprint small.

YOU help the Garden show the way to  
be green today-greener tomorrow!

## JOIN THE GARDEN TODAY

to help us make our world happier, healthier, and greener for all.

Members of the Missouri Botanical Garden are our partners in plant protection here in St. Louis and in the areas across the planet that most need our help.

Thanks to members, Garden scientists are on the ground in more than 30 countries around the world discovering and caring for plants that provide us with food, shelter, clothing, and medicine.

Stop at the Membership Tent or visit [mobot.org/join](https://mobot.org/join) to start your year of membership today!
