

Plants Not Favored by Deer

Trees

Betula spp. (birch)
Castanea spp. (chestnut)
Catalpa spp. (catalpa)
Cercis spp. (redbud)
Cotinus spp. (smoketree)
Fagus spp. (beech)
Fraxinus spp. (ash)
Ginkgo bilboa (ginkgo)
Gleditsia triacanthos (honey locust)
Ilex opaca (American holly)
Juniperus virginiana (eastern red cedar)
Larix spp. (larch)
Liquidambar spp. (sweetgum)
Liriodendron tulipifera (tuliptree/yellow poplar)

Metasequoia glyptostroboides (dawn redwood)
Ostrya spp. (hop hornbeam)
Oxydendrum arboreum (sourwood)
Picea spp. (spruce)
Pinus nigra (Austrian pine)
Pinus sylvestris (Scotch pine)
Pinus mugo (mugo pine)
Pinus resinosa (red pine)
Platanus occidentalis (sycamore)
Sassafras albidum (sassafras)
Syringa reticulata (tree lilac)
Taxodium distichum (bald cypress)
Tsuga spp. (hemlock)

Shrubs

Berberis spp. (barberry)
Buxus spp. (boxwood)
Calycanthus spp. (sweet shrub)
Cotinus spp. (smoke bush)
Forsythia spp. (forsythia)
Hamamelis spp. (witch hazel)
Ilex glabra (inkberry)
Ilex cornuta (Chinese holly)
Juniperus spp. (juniper)
Kerria japonica (Japanese kerria)

Kolkwitzia amabilis (beautybush)
Lindera benzoin (spicebush)
Mahonia gracilipes (Oregon grape)
Pieris japonica (Japanese pieris)
Rhus aromatica (fragrant sumac)
Spiraea spp. (spirea)
Symphoricarpos spp.
(snowberry/coralberry)
Syringa spp. (lilac)

Perennial Vines

Campsis spp. (trumpet creeper)
Celastrus scandens (American bittersweet)
Clematis spp. (clematis)
Fallopia baldschuanica (silver lace vine)
Lonicera spp. (honeysuckle)

Parthenocissus quinquefolia (Virginia creeper)
Parthenocissus tricuspidata (Boston ivy)
Vitis spp. (grape)
Wisteria spp. (wisteria)

Ground Covers

Ajuga reptans (ajuga)
Alchemilla mollis (lady's mantle)
Asarum spp. (wild ginger)
Asperula gussonii (woodruff)
Bergenia cordifolia (bergenia)
Cerastium tomentosum (snow-in-summer)
Convallaria majalis (lily-of-the-valley)
Cornus canadensis (bunchberry)
Epimedium spp. (bishops's hat)
Ferns (various genera and species)
Fragaria spp. (wild strawberry)
Juniperus spp. (juniper)
Lamium maculatum (dead nettle)

Liriope muscari (lily turf)
Mosses (various genera and species)
Nepeta spp. (catmint)
Pachysandra terminalis (pachysandra)
Potentilla spp. (cinquefoil)
Pulmonaria spp. (lungwort)
Salix spp. (willow)
Sedum spp. (stonecrop)
Sempervivum spp. (hens and chicks)
Vinca spp. (vinca)
Viola spp. (violet)
Waldsteinia spp. (barren strawberry)

Hardy Bulbs

Allium spp. (ornamental onion)
Chionodoxa spp. (glory-of-the-snow)
Colchicum spp. (autumn crocus)
Crocus spp. (crocus)
Eranthis hyemalis (Winter aconite)
Fritillaria spp. (crown imperial/fritillary)

Galanthus spp. (snowdrop)
Leucojum aestivum (summer snowflake)
Muscari spp. (grape hyacinth)
Narcissus spp. (daffodil)
Puschkinia scilloides (striped squill)
Scilla spp. (scilla)

Annuals & Biennials

Ageratum houstonianum (floss flower)
Antirrhinum majus (snapdragon)
Campanula spp. (bellflower)
Delphinium spp. (larkspur)
Dianthus spp. (dianthus)
Digitalis spp. (foxglove)
Helianthus spp. (sunflower)
Heliotropium arborescens (heliotrope)
Iberis sempervirens (candytuft)
Ipomoea alba (moonflower)
Ipomoea mauritiana (morning glory)

Lobelia spp. (lobelia)
Matthiola incana (stock)
Mimulus spp. (monkey flower)
Mirabilis jalapa (four o'clock)
Papaver spp. (poppy)
Petunia x atkinsiana (petunia)
Salvia spp. (salvia)
Tagetes spp. (marigold)
Tithonia rotundifolia (Mexican sunflower)
Tropaeolum majus (nasturtium)
Zinnia spp. (zinnia)

Hardy Perennials

Achillea spp. (yarrow)
Aconitum spp. (monkshood)
Amsonia spp. (bluestar)
Anemone spp. (anemone)
Aquilegia spp. (columbine)
Arabis caucasica (rock cress)
Artemisia lactiflora (white mugwort)
Asclepias spp. (butterfly weed)
Astilbe spp. (astilbe)
Bergenia cordifolia (bergenia)
Brunnera spp. (bugloss)
Caltha palustris (marsh marigold)
Cerastium tomentosum (snow-in-summer)
Coreopsis spp. (coreopsis)
Dianthus spp. (pinks)
Echinacea spp. (coneflower)
Epimedium spp. (bishop's hat)
Erigeron (fleabane daisy)
Eupatorium perfoliatum (American boneset)
Filipendula spp. (meadow sweet)
Gentiana andrewsii (gentian)
Geranium spp. (crane's bill)

Geum spp. (avens)
Helenium spp. (sneezeweed)
Helleborus spp. (hellebore)
Hibiscus spp. (hibiscus)
Iris spp. (iris)
Leucanthemum × superbum (shasta daisy)
Lychnis spp. (lychnis)
Monarda spp. (bee balm)
Paeonia spp. (peony)
Perovskia atriplicifolia (Russian Sage)
Phlox spp. (phlox)
Polemonium spp. (Jacob's ladder)
Rudbeckia spp. (black-eyed Susan)
Salvia spp. (salvia)
Saponaria spp. (soapwort)
Sedum spp. (sedum)
Sempervivum tectorum (hens and chicks)
Solidago spp. (goldenrod)
Thalictrum spp. (meadow rue)
Tiarella spp. (foam flower)
Veronica spp. (speedwell)
Viola spp. (violet)
Yucca filamentosa (yucca)

Herbs

Allium schoenoprasum (chives)
Anethum graveolens (dill)
Artemisia dracunculus (French tarragon)
Borago officinalis (borage)
Foeniculum vulgare (fennel)
Hyssopus officinalis (hyssop)
Lavendula spp. (lavender)
Levisticum officinale (lovage)
Melissa officinalis (lemon balm)
Mentha spp. (mint)
Nepeta cataria (catnip)

Ocimum basilicum (basil)
Origanum laevigatum (marjoram)
Origanum spp. (oregano)
Ruta graveolens (rue)
Salvia rosmarinus (rosemary)
Salvia spp. (sage)
Sanguisorba spp. (burnet)
Satureja spp. (savory)
Symphytum spp. (comfrey)
Teucrium spp. (germander)
Thymus spp. (thyme)
