

# KNOW BEFORE YOU SPRAY

## PESTICIDE TIPS

- Always positively identify the pest/disease on your plant FIRST. If you need assistance, the Center for Home Gardening can help. Please call (314) 577-9562 or email [plantinformation@mobot.org](mailto:plantinformation@mobot.org)
- Before spraying, read the entire label first to understand how to properly apply the product.
- Always wear the proper personal protection equipment stated on the label when applying the product. (i.e. long sleeves, pants, nitrile gloves, rubber boots, safety glasses, etc.)
- Apply only the amount listed and as often as indicated on the label.
- Keep all pesticides in the original containers with the label attached.

**PEST B' GONE**

Flower & Plant Care

### CAUTION: Hazards to Humans and Animals

- Causes moderate eye irritation. Avoid contact with eyes.
- Wear long-sleeved shirt, long pants, shoes, socks, and waterproof gloves.
- Wash hands thoroughly with soap and water after handling and before eating, drinking, or chewing gum.

### First Aid +

#### If in Eyes

- Hold eye open and rinse slowly and gently with water for 15–20 minutes.
- Remove contact lenses, if present, after 5 minutes then continue rinsing eye.

#### If Swallowed

- Call Poison Control Center or doctor for treatment advice.

### Environmental Hazards

- This product is highly toxic to aquatic invertebrates.
- This product is highly toxic to bees exposed to direct treatment or residue on blooming plants. Do not apply this product to blooming plants if bees are foraging in the area.
- To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, or gutters. Apply this product when rain is not forecasted for at least 24 hours to help ensure pesticide does not get washed or blown off the treatment area.

### Storage and Disposal

- Store in a cool dry place, out of reach of children.
- Never dispose of unwanted product in drains, sinks, lavatories, watercourses, or ditches. Check with your local waste authority to find your nearest household waste site.
