

**Jeff Hirsch**

Jeff Hirsch is a photographer and photo-educator with over 25 years of experience in the field of digital imaging and graphic design.

An expert in "geek-to-english" translation and an Adobe Certified Expert in Lightroom and Photoshop, he teaches photography and photo workflow to individuals and groups.

Jeff is a frequent presenter at local and regional camera clubs where he speaks on a wide variety of photographic subjects including street and travel photography, color management, digital photo workflow, and more.

Jeff is also cofounder of Graphic Panacea in St. Louis, a full-service communication design firm that produces high-quality graphic design, web design, marketing, and photography. The firm's client list includes nationally and internationally known organizations and individuals.
